

External Cash Sale Policy

A Cash Sale is for anyone who doesn't hold a current Trade Account with us.

Cash Sales under the value of \$5,000 + GST will need to be paid in full before the job can be booked into our system, and before any Materials can be ordered and/or released.

Cash Sales over \$5,000 + GST will require a 50% Deposit to be paid upon book in, with the final balance due for payment <u>before</u> delivery can be assigned.

Please note that delivery date and time, can only be assigned once final payment has been received. This will be based on our next available delivery slots.

If you require an exact date and time, please let us know at book in stage, so we can ensure to get your final invoice to you sooner.
